

Virtual Recital 2020

June 27, 2020 2PM

Director's Note: One of our goals is always to introduce our dance students and families to a variety of classical works and help them find a connection to the long and colorful history of dance in all its many forms. With that in mind, we have again incorporated three "showlettes" into this year's recitals; [Les Sylphides](#), [Cinderella](#), and [Hairspray](#). It is our hope that these showlettes will inspire you to seek out and enjoy full-length versions of these and other great story ballets and Broadway classics as well as other forms of dance and theater! Students have studied the stories, creators, and historical significance of these shows throughout the year and we hope you, the audience, get as much out of watching them as we have putting them together. :-) Enjoy!
